Intro to K9 Nose Work® - NEW

In Intro to K9 Nose Work®, Angie, a sanctioned Certified K9 Nose Work® Instructor (CNWI) will teach the initial foundational skills to enable your dog to discover and enhance their natural hunt drive, have fun, play, and build their curiosity and confidence. You and your dog will strengthen your bond utilizing their natural desire to hunt while having fun & burning energy, both mentally and physically. The primary goal is fun! Where dogs get to be dogs. Dogs work independently of each other and with their team handler. This class is for any type of dog, regardless of breed, size or temperament, and is great for dogs that are shy or reactive around other dogs and/or people, dogs with social or situational anxiety preventing them from joining typical training classes, dogs with hearing or sight impairments, or even those who are retired working dogs in need of a "job" to keep them busy and happy. Bring lots of soft, easy to swallow treats and/or toys. CLASS SIZE IS LIMITED! 6 week class.

Advanced K9 Nose Work® - NEW

Advanced K9 Nose Work® continues the foundational concepts learned in Intro to K9 Nose Work® and takes the game to a new and more fun level, increasing dogs' natural scenting abilities and their desire to hunt by increasing the intricacy of the game. It uses problem solving techniques and games by raising the height of the "hide" (treat) and teaching the dogs to hunt with distractions and in new locations. The primary goal is fun! Where dogs get to be dogs. Dogs work independently of each other and with their team handler. Bring lots of treats and toys. Locations may be offsite. Completion of Intro to K9 Nose Work® required. CLASS SIZE IS LIMITED! 6 week class.
